

Instructions for looking up the number of arts degrees conferred by your institution.

Go to: <https://nces.ed.gov/ipeds/Home/UseTheData>

1. Click “Look Up and Institution”

Search IPEDS

IPEDS Data Use Help Desk (866) 558-0658 or ipedstools@rti.org

Use the Data

Access IPEDS data submitted to NCES through our data tools or download the data to conduct your research

[Overview of IPEDS Data](#)

Get a bird's eye view of IPEDS data: learn what data are collected and how you can use the various tools on this page to access IPEDS data.

[Data Trends](#)

Use the Trend Generator to view trends on most frequently asked subject areas including: Enrollment, Completions, Graduation Rates, Employees and Staff, Institutional Revenues, and Financial Aid.

[Look Up an Institution](#)

Look up information for one institution at a time. Data can be viewed in two forms: institution profile (similar to College Navigator) and reported data (institution's response to each survey question).

[Data Feedback Report](#)

Download, print, or customize an institution's Data Feedback Report, a report that graphically summarizes selected institutional data and compares the data with peer institutions.

[Statistical Tables](#)

Create simple descriptive statistics (e.g., total, count, average, median, standard deviation, percentiles) on selected IPEDS institutions and variables.

[Summary Tables](#)

Customize a summary table for a select subgroup of institutions on the following popular topics: tuition and fees, room and board, student financial aid, admissions, test scores, student enrollment, degree/certificate awarded, and graduation rates.

[Compare Institutions](#)

Download IPEDS data files for more than 7,000 institutions and up to 250 variables. Data files are provided in comma separated value (*.csv) format.

[Survey Data](#)

Data are available starting with the 1980-81 collection year for the *Complete data files* and *Custom data files* functions, which zip the data into comma separated value (*.csv). Beginning with the 2011-12 collection year, data for each collection year are compiled into an *Access database*.

Select download option

[Shortcuts](#)

Use these shortcuts to expedite the research process if you are a frequent or returning data user.

Select your shortcut

[Publications and Products](#)

Review publications using IPEDS data including First Looks, Web Tables, methodology reports, and Digest Tables.

11. Select the Classification of Instructional Programs (CIP) codes that correspond to majors that your institution will include in the SNAAP survey. The following are examples of eligible CIP codes:

Code	CIP Name
4	Architecture and Related Services
9	Communication and Related Programs
13.1302	Art Teacher Education
13.1312	Music Teacher Education
13.1324	Drama and Dance Teacher Education
23.1302	Creative Writing
50	Visual & Performing Arts

Search for the appropriate codes by typing in the label name (not the code). Select the CIP classifications that correspond to your institution’s graduates and then select “Save.”

Note: You will have to expand “Education”, then “Teacher Education and Professional Development, Specific Subject Areas” to select the various arts education majors. You will also have to expand “English Language and Literature/Letters” and “Rhetoric and Composition/Writing Studies” to select “Creative Writing.” You may also choose to expand codes 4, 9, and 50 to choose more specific CIPs within those broader categories.

Example:

CIP Code - 2010 Classification
